Minutes of Last Meeting on 8th April 2024

The previous minutes were unable to be accepted (meeting was not deemed to be quorate), they will stand and be considered at the next meeting.

Matters Arising

1/ Guide Books – Since the record listed in the minutes of 8.4.24; 8 books have been sold.

Date 3.6.24	Balance from last record:	£665.12
Income	4 books sold at Bluebell Café 4 books sold at Meadow Lea 0 books sold at Tarvin 1 book sold at Guilden Sutton Proceeds from sales:	£36.00
Stock locations: Bluebell Café, Guilden Sutton PO, Tarvin PO, Meadow Lea, CY.		
	Expenditure:	£0
	Latest total:	£701.12

2/ FP 30 (Mill Lane to Heath Lane) - Recommendation from the Environment Agency for work (application in, just waiting to hear regarding funding) so no work on this to be done just yet.

3/ FP 21 & 22 (Park Hall and Park Hall to Tarvin Sands) - See note from MG re two kissing gates supplied to the owner of the Margates. JW has shared photos and What3Words locations for FP's 20, 21 and 22. PB to share with MG and group.

4/ FP 4 (Barrowmore corner to B5132) - MG to discuss further with boss as per note re safety onto B5132.

5/ FP 24 (Ferma Lane) - CY has received a complaint re the overgrowth. Could CWaC contractors give us an idea of when the cutting will occur? MG unable to assess due to flooding. Will reassess when the weather improves, including the fallen tree.

6/ FP 12 (Hollowmore Heath to Broomhill House Farm) - MG to speak to Landowner re drainage issues as per note.

7/ FP 2 (Ferma Lane to Guilden Sutton) - New stone has been applied under the kissing gate. Approach to bridge still requires work.

8/ FP 23 (Barrowmore to Broomhill) - MG to speak to Landowner re electric fencing and proximity to the stile.

Other Matters

1/ FP 20 (Barrow Mill to Tarvin) - Photographs to be shared as per point 3 above.

2/ Church Lane (Sunken Lane) - Note from Natural England to CY, cannot remove spoil from Set at certain times of year. DW to share pictures with a colleague for their opinion.

Discussion around submitting an application to turn this Permissive Path into a PRoW.

3/ FP 26 (Village Hall to Church) - MG to re-examine the surface due to the amount of mud. Finger post will be replaced with a metal one.

MG has some Permissive Path discs.

4/ FP 19 (Mill Lane path to FP 30) - DW reports a new post with signage, and raised concerns with the positioning of this. CY suggests this was placed by Richard Ankers. To be checked when flooding improves.

5/ Ferma Lane, Upper Lane and FP 12 - AP to liaise with landowner (adjacent) when cutting is needed.

6/ FP 3 (B5132 to Plemstall) - MG to liaise with Farmer re repairs.

7/ FP 29 - MG to request contractor cuts this.

Any Other Business

Barrow Report from 03/06/2024

By Mike Goan CWaC PROW Officer

Here is an update in respect of the issues that we identified at the Parish Council meeting.

- Barrow FP 26 – I have attend with a contractor and obtained a quote for work to scrape the soil back and resurface the path with stone/gravel between from Hall Cottage to St. Bartholomews Church I shall be submitting a works order this week to have this work carried out soon.
- The rotten Signpost on FP26 will be cut and reinstated.
- Permissive path linking Barrow FP1 with Barrow FP 26 – unfortunately as it is not a PROW I cannot assist with repairing this bridge.
- Barrow FP 23 – I have checked and the path is correct on the definitive map – I still need to speak to landowner about the Electric fence.
- Barrow FP4 – We cannot add kissing gates on to a PROW unless they are for the purposes of controlling livestock.
- Barrow FP3 – I need to speak to the farmer in respect of repairing the bridge.

- Barrow FP9 – Stiles have been delivered to Landowner for installation.
- Barrow RB 29 – overgrown from dog leg until it meets FP13 – I have requested the Contractor to cut this back. – I have not inspected this yet to see if the work has been carried out, but there has been a delay in cutting paths back due to the wet winter.
- Barrow FP13 – need to speak to landowner about churned up muddy section due to livestock.
- Barrow FP12 – Need to speak to landowner re drainage issues.
- Barrow FP24 – Need to inspect path. – It is on list to be cut back.
- Barrow FP 22 – 2 kissing Gates have been supplied to landowner – need to inspect to see if installed.

I will chase up all the outstanding issues this month.

Barrow Report from 21/03/2024

By Mike Goan CWaC PROW Officer

FP22 - Two kissing gates have been supplied to the owner of the Margates. One to be installed at the road by the Margates the other to replace broken stile after the Margates garden.

FP24 - Could not view due to flooding. It is to be cut back by the contractor when weather is drier. I will inspect to assess flooding.

Barrow FP12 - Very muddy and waterlogged by stile – drainage issues. Will need drainage channels to be dug out and possibly piped and gravelled by stile. Will speak to landowner. Other alternative would be to fit footbridge but drainage issues do need to be sorted.

Barrow FP13 - Very Muddy where path enters field by farm, churned up by animals – need to speak to Landowner (possibly permissive path could be solution).

Barrow RB 29 - Overgrown from dog leg until it meets FP13 – I have requested the Contractor to cut this back.

Barrow FP9 - 3 stiles to be replaced with new stiles – have contacted Landowner to arrange fitting.

Barrow FP3 - Rotten Boards on the bridge – I will speak to the farmer to repair as this is a footpath and he is using it as access for his farm machinery.

Barrow FP4 - Pedestrian kissing gates – not sure this is appropriate as there is no livestock in fields. Will discuss further with my boss as there could be safety issues with path adjoining Barrow Lane. No gates are showing on the definitive map though a gate post and hinges are clearly visible on site.

Barrow FP 23 - Electric fence is too close to the stile, I will speak to landowner. Path may have been diverted from definitive line will need to reinspect as I believe path should join field further down the lane and not where the electric fence is.

Permissive path linking Barrow FP1 with Barrow FP 26 - Bridge is not on a PROW. I have checked Council files and the agreements states Chester County Council (as it was at time of agreement) will maintain signposts to permissive path, but it does not mention maintenance of the bridge.

Rotten permissive path signpost on FP 26 - Will replace with metal post and permissive path finger-blade. I also have permissive path discs.

Will re-examine FP26 surface and see if it can be scraped and resurfaced where it is muddy from Hall Cottage to St. Bartholomews Church.
