The minutes were accepted.

### Matters Arising

**1/ Guidebooks** - Since the record listed in the minutes of 30.6.25; 7 books have been sold.

<b>Date 16.24</b>	<b>Balance from last record:</b>	£911.12
<b>In</b>	6 books sold between Meadow Lea and Bluebell Cafe 1 book sold at by CY <b>Proceeds from sales:</b>	<b>£29 (incl £1 donation)</b>
<b>Stock locations:</b> Bluebell Café, Tarvin PO, Meadow Lea, CY.		
	<b>Expenditure:</b>	£0
	<b>Latest total:</b>	<b>£940.12</b>

JW has volunteered to take over the role of collecting funds from Guidebook stockists effective immediately and will collect 30 books from CY to restock as required. CY to hold remaining stock.

The Committee thanked Gerald Higginbotham for his 14+ years of service on the Committee and wish him well following his recent move.

**2/ FP 30 (Mill Lane to Heath Lane)** - Recommendation from the Environment Agency for work (application in, just waiting to hear regarding funding though some mention of funds on National news), no work has been done just yet. Awaiting update from MG.

**3/ FP 4 (Barrowmore corner to B5132)** - MG has suggested using a pedestrian gate which will act as a kissing gate with the posts that are already in place, which the Committee are happy to accept this suggestion. It would be helpful to maintain the existing signs, warning walkers to 'beware traffic'.

**4/ FP 24 (Ferma Lane)** - MG has noted big drainage issues past Ferma Wood which will require work with the Landowner. MG keen to fix. CY suggested speaking to S Pym re the drainage pool. Awaiting update from MG.

Path is now very overgrown, request that MG liaise with CWaC contractors to cut this and advise when the work may take place.

**Pixie steps** - Awaiting update from MG. He had previously met with Paul Johnson about the sandstone blocks, but was keen to speak to a contractor as any gravel would simply wash away. This is a concern as the drainage ditch has gone.

**5/ FP 12 (Hollowmore Heath to Broomhill House Farm)** - CY has confirmed the Landowner with MG. Awaiting update as will become wet again when we have rain.

**6/ FP 2 (Ferma Lane to Guilden Sutton)** - New stone has now been washed away. MG had met with a contractor to discuss putting a longer bridge in and moving it slightly, MG was hoping to allocate CWaC funds as financial year ended. Await update.

**7/ FP 23 (Barrowmore to Broomhill)** - Awaiting update from MG re positioning of electric fencing and proximity to hedge line.

**8/ FP9** - Near Long Green Farm, MG had previously organised two bridges over the stream and brook which will help despite ongoing flooding problems. MG was still keen to speak with Landowner regarding the electric fencing; await update.

**9/** - MG requested an update in Spring when paths become overgrown, please see item 4 above re cutting. FP 29 will also require cutting.

## **Other Matters**

**1/ FP 20 (Barrow Mill to Tarvin)** - Awaiting update from MG. The upright to the bridge at Point 2 had not been replaced and there had been two complaints. CY previously sent images to the Council, but it was too overgrown to assess. MG planned to walk last year, awaiting update.

**2/ Church Lane (Sunken Lane)** - Note on Care for Barrow re broken bridge. Several planks on the bridge have rotten and broken, and there were signs placed advising this route is closed and walkers should divert over the Milton Brook bridge. Update needed from MG to see if he could recommend someone to complete repairs. PB to refresh signage regarding route closure.

There was discussion that it may be preferable to advise walkers to use the existing concrete bridge and to divert the path to avoid spending money on repairs, as this is a permissive path and the Landowner may rescind access.

Work is underway to clear the spoil from the Badger Sets following guidance. Many thanks to the Chumpers for actioning this.

**3/ FP 26 (Village Hall to Church)** - CY to liaise with resident and MG on this.

**4/ FP 19 (Mill Lane path to FP 30)** - Awaiting update from MG re log store on the path. This house has been sold so there is scope to pick this up with the new owners.

**5/ FP 29** - Awaiting update from MG.
